“ I would like to offer my condolences to Kathryn's family. She and my mother were cousin's and Mom talked of her frequently especially about their mutual interest in genealogy. It was only after my mother passed that I had the opportunity to communicate with Kathryn through letters. It was obvious that she was a thoughtful and caring person who loved her family very much. I am glad that I got to know here just a little bit.

“ Kathryn was a sweet lady. We attended Nativity Church together and she was always smiling.
She and Oscar were a loving couple and we will miss her seeing them both.
Our condolences to all the family.

“ Our beloved Aunt Kathryn
So many good memories...as my Mom's sister I have known her all of my life. She was so much fun to be with. They were very close and our families spent all the Holidays together.. we have many photos of all the good times. She was so kind and thoughtful with all her family and friends.
Last I spoke with her during the Covid crisis she talked about her neighbors that made sure she had everything she needed and how thankful she was for them. She was especially excited about the new baby coming into the family.
She made sure that we had all of our family stories, history and pictures to share with our families.
She Loved to read and every time she read a good book she would send it to me and we would talk about it.
She always looked forward to visits from Carmella and Bobby John and would tell me what she was doing to get ready for them.
She was so sweet and loved, she will be missed by us all.

“ I am so sad to hear of Mrs. Paiani's passing. I have so many memories of how she entertained us when we visited when we were teenagers. I have repeatedly shared the memories of her legendary lasagna that would instantly appear in front of a bunch of starving teen aged boys. Her personalty was always bubbly and fun. My most recent memory, of course, was having the opportunity to visit last year at Dave's funeral and being amazed that she magically had not changed after all these years. May she rest in peace and celebrate being reunited with Mr. Paiani and Dave.....
