*I love and miss you. I want to say Thank You for everything that you did for me when I was growing up I know we had our ups and downs but you were always there. When I was going through my cancer you and mom spent many hours sitting at the hospital with me and taking me to treatments. You told me not to give up and I would bet it and I did for that I Thank You. You will be missed but never forgotten. I Love You Dad. Rest In Peace your daughter*
