“ My sincere condolences to the family. I am so sorry that I was unable to attend the services but I only now heard of Adrienne's passing. I have so many wonderful memories of my friend Adrienne, far too many to post here. Adrienne and Al were dear friends and the news of her passing saddens me but memories of our good times will always be with me. Again, my condolences. Adrienne was a great person and a good friend.

“ Sending my deepest sympathies, love & prayers to my dear friends, Ike, Ry, Ty & Syd Carroll & the Mosi family during this difficult time. Spending some of the best years of my life, during middle school and high school at the Carroll residence, "Gram & Pap Mosi" were always there waiting for us after school and always welcomed myself & friends with open arms, warm hearts and were considered all of our friends "bonus set" of grandparents. Whether it was engaging in a funny conversation, making sure we were well fed, offering to drive us somewhere, or putting up with our teenage antics, Gram & Pap Mosi were two of the best, sweetest, kindest, loving people this world was blessed to have. We would often joke with "gram", being our typical teenage selves and without hesitation gram would joke right back, no holding back or filter. She was so funny and sweet and I will forever cherish those memories. I pray that it brings peace to the family & every life she has touched knowing she is forever reunited with Pap Mosi, her daughter and all of those family & friends that have gone before us. Forever in my thoughts & prayers with love & sympathy,

“ *Adrienne was a close friend of mine when we were children, went all through grade school and graduated from Snowden Township High School in 1953.
