“ *Grandma Bea was very special to me and all of us. I have many great memories. Almost every year, Grandma Bea would make and send a bunch of Christmas treats. When that package arrived, I knew I'd have weeks of home made goodies. The hollies were my favorite. When I was a young kid, we had lots of fun doing puzzles together. Some of the best times of my life were when Grandma Bea and Pap-pap visited my family at the many places we've lived, spending the days sight-seeing, laughing and going on adventures. Grandma Bea was always very beautiful. Her love for her family and friends was always so strong. She has been very supportive of me and always wanted to make sure I was alright. She told me as long as you have your health, everything else will fall into place. I'm a lucky grandson to have had such a wonderful grandmother.*
