“ *My sincere sympathy to Mike and Mark and their families on the passing of their mother. Mrs. Ducko was always a part of our family celebrations and holidays. I will remember her as a woman who loved her husband and family. She was always very nice to all of my family. I will miss seeing her at family events in the future. She lived a long, happy life with grandchildren and great-grandchildren.*

“ Today is a sad day for us as we lost the world's most wonderful neighbor. I say neighbor but Anne was so much more, she was a part of our family. She watched us grow into our role as parents and watched our children grow from infants to young adults. She loved each of us as much as we loved her. She even loved Scooby even though he was a dog! Though it has been hard these past few months to not have her living beside us, we always knew that her heart was still there. She may be gone from this physical earth but know that her heart will forever live in that house. To her family, our deepest condolences on your loss. We are devastated that we will not be there to share in the celebration of Anne's life and to offer our condolences to you in person as we are out of town. We will each cherish our memories of your mom and will never forget her wonderful smile. May she be at peace and rest for eternity with Mike and Martin. With deepest sympathies, Kevin and Diana
