“ My deepest sympathy to Bunny, Doreen and Bridget. Although Barry and I were not close these past few years he was in my thoughts. Barry was an amazing person. What a golfer! What a sense of humor! What a neat freak! We always joked that he could clean better than any woman. What a drinker 😔. Rest in peace Barry.

I tried to get a hold of you! He had your number written down everywhere but it kept saying “disconnected”. I know he must have still thought of you often ❤️ And He hasn't had a drink in about 4 years, we were proud of him.

“ Barry was my neighbor for 31 years - and he was a good neighbor. He would do anything for anyone, and he loved keeping everything nice and clean - especially his car! He was very brave when he was diagnosed with cancer - even maintaining his sense of humor. (We actually had a couple good laughs when going for tests etc).

You fought hard Barry... now rest in peace my friend.
