“ *My sister was the most thoughtful person anyone could ever imagine, even up to the very end she was making arrangements for things to be taken care of around the house for Dennis. Always putting herself last to be sure everyone else would be comfortable, she even took care of our mum for the last several years of her life and also played nurse/caretaker for two years (in her home) to our aunt Leona. Never wanting anything in return , just for her own satisfaction and the constant compassionate love for others . I love her very much and like everyone who ever knew her , will think of her often and miss her very much.
May you Rest in Peace , Bob and Sue*
