“ *Cheryl was an angel long before she left this earth.
May her family feel comfort in knowing that Cheryl's memory will live on in all the lives she touched along the way.
There is no more pain. She is dancing in Heaven.
I will miss you my friend.
Much love until we meet again.

“ To my beautiful sister Cheryl! You are and always will be my idol. I admire you so much for everything you've achieved in your short life. You are the most kind, loving & wonderful sister, mother, wife & friend. I am so honored to call you my sister! You fought for your life so bravely. I have so many beautiful memories of all of the years we were lucky enough to spend together. There is a huge void now that you are gone. I will love you and miss you forever, until we meet again, (Lonnie Kay),
