“ *I first met Cindy a few years ago while she was taking care of my father. She was truly a remarkable person, her cheerful personality was something to envy and it seemed she never met a person she didn't like. I always enjoyed talking with her about her beloved animals and watching her take care of my dad. With Cindy's passing the world is a little less cheerful.... She will be missed*

“ Although I never had the opportunity to meet Cindy, my thoughts and prayers are with Dave and the rest of her family. Dave was a fraternity brother of mine in college and will forever be part of my extended family. Peace and prayers in this difficult time.
