“ Claire was a kind and loving soul  
She saw the good in people. Our last adventure was to Cedar Point  
with the kids. After we returned home Lance and Chris said we  
spoiled them. Why because they went on the largest fastest roller  
coaster in the country at that time. It was a great trip.

*I know she will be greatly missed.*

*Praying for all of you.*

*Love*

“ *To the Reaghard Family,*

*I was deeply sadden to hear of the passing of Claire. I worked with her for many years at Applebee's. She was always so kind hearted, a hard worker and someone you could always count on. I will cherish the many memories we shared together over those years. I know this may be difficult, but try to take comfort in your time of grieving knowing she is no longer in pain or suffering as she will live on in her two beautiful children. She is finally at peace.*

“ So many memories... I met her in high school... Steel center. Claire was always a hard worker. She was an amazing young Mom. She had a heart of gold. She's beautiful inside and out. We used to drive for hours, cruising south park. Too many things to write. I'm sorry, Claire. I love you. Always. You are free. Mr. and Mrs. Reaghard and family ..I am so sorry for your loss. She's an Angel now...no more pain and no more sadness. God bless you all.
