“ Danny was my happiest grandson when he was a baby and small child. Even strangers loved him where ever we went because he was so friendly and full of smiles and laughter. It is so sad that we have lost 4 close members of our family who were very young. I think about them all the time and will continue to do so until I join them.
So Sad, Gramma.

“ Unfortunately only got to know Dan for a short period of time. He left an impact on my life. Favorite memory with him is riding around in my truck jamming to Kevin Gates. Really an amazing person 🙏
