

David E. McLaughlin

August 21, 1939 - June 10, 2017

On Saturday, June 10th, 2017, our Lord relieved David E. McLaughlin, 77, of South Park, of his earthly burden after a long and courageous battle with Alzheimer's Disease. Beloved husband of 53 years of Janet (Ei) McLaughlin; father of Tracy (Russ) Tribuzio, David Patrick McLaughlin, and Carrie (Curt) Maerkle; treasured grandfather of Alexa, Vanessa, Jorgi, Jacob and Kara. David was an avid outdoorsman. He loved animals and nature, especially enjoying hunting, fishing, and walking in the park. He had a lifelong passion for the game of football. He was team captain at Dormont High School & Clarion State College, and upon graduating, began his 36 year career at South Park High School, teaching, coaching, and retiring as Athletic Director. He was a die hard Pittsburgh Steelers fan. Ever the competitive sportsman, he fiercely battled Alzheimer's to the very end. Friends received Tuesday 2-4 & 7-9 pm at the GRIFFITH FUNERAL HOME, INC., 5636 Brownsville Road, (at 6th St.), South Park Twp. (412) 655-4600, where a Blessing Service will be held on Wednesday at 11 am. Interment private. In lieu of flowers, the family requests donations in "Coach Dave's" memory to the Baptist Homes Benevolent Fund, 489 Castle Shannon Boulevard, Pittsburgh, PA 15234. Dave's family extends their sincere gratitude to ALL the staff at the Baptist Homes Society and Caring Hospice for their outstanding care, compassion, and support along this difficult journey. “ I was from the class of 1970 and I have two vivid memories of Mr. McLaughlin -- one was in the summer of band practice when I just got my drivers license. We would get a lunch break and often went to Baskin Robbins -- well this one time us majorettes were a little late and I come squealing into the parking lot driving my 1964 Dodge Dart -- needless to say I was disciplined as I should have been..

Speaking of discipline -- whatever grade we dissected frogs, in my rebellious, adventurous nature, I hung a frog out the second story window of our classroom down to the first floor and got caught... well, I got a paddle from Mr. McLaughlin. I have told that story throughout my entire life -- lovingly.

I also lived near Mr. McLaughlin in Broughton on Marion Drive.

He will live on in my heart.

“ Mrs. McLaughlin, Tracey, David & Carrie,

I also had Mr. McLaughlin as my teacher. He was NOT just another Drivers Ed. teacher, NOT just a Pennsylvania History or Civics teacher. Mr. McLaughlin was an A+ and #1 teacher. He was the only teacher who would sponsor our freshman class. He took us under his wings like a GUARDIAN ANGEL and guided us through our freshman, sophomore and junior years, until our graduation day. I would like to thank you for this. A wonderful and kind teacher...I will miss you. Mrs. McLaughlin: I knew you when you worked in the office at South Park High School. Mrs. McLaughlin, Tracey, David & Carrie: Someone so special can never be forgotten...

“ Alzheimer's brought Dave and Janet into our lives (my husband also has Alzheimer's). Alzheimer's stole many of Dave's abilities. However, up until the last week of Dave's life he encouraged and uplifted those around him. I am privileged that my husband was frequently on the receiving end of Dave's compassion and grace. Dave's legacy lives on in his wife, children and grandchildren!

“ My sincere condolences to your family. He truly inspired in the classroom and on the field. I have many fond memories of him including walking across our stomachs in football spikes while doing crunches. He had the rare ability to want to learn and absorb everything he taught in class. God speed Mr McLaughlin!

“ Mr McLaughlin was the football coach for my junior & senior year. I lost my father in 9th grade. I found Dave to be the surrogate dad for me. I went to his house in 2011 & tried to get him to come to our class reunion but he respectfully declined as his wife said he was not mentally or physically up to it. I was very disappointed. I did tell him that he was my proxy father in high school. He was very pleased to hear that. In life we meet those who mattered in their lives.....he was one of them for me....my sympathy to the family

“ I met Mr. McLaughlin in my freshman year at Snowden Hs, and by senior year as South Park . He was an excellent teacher, but a better football coach who mentored me as a developing young man in addition teaching me the nuances becoming an explosive running back, earning me a scholarship by by my senior year. After graduation, Dave invited me to join the South Park coaching staff. This was a dream of my life. Thank you Dave for being a friend, confidant and role model. Rest In Peace and safe a spot for me. I will miss you.

“ I had Mr. McLaughlin as a teacher in high school. He was not only one of the kindest teachers I had ever had, but one of the best teachers. He made learning easy. He made his mark on many people going thru his class. Wishing you all God's peace and love as you go thru this time of sorrow, but know that he made a difference in this world one student at a time.

“ Mr McLaughlin was one of the nicest teachers I had, he taught me Social Studies and driving lessons. I will never forget how he made me pull into the high school and told me to check the gas gage, which was on "E". Then, the car started to slow down and stopped in the driveway! I looked at him and said, "Wow, are we lucky!" He busted out laughing....he had braked the car from his side! I'll never forget that or him. God bless him and I hope he knows how lucky we were to have him as a teacher, instructor, and coach! His struggles are over but his legacy lives on.....

Me. McLaughlin was a great Social Studies teacher, I'll always remember him. He taught me to drive on Saw Mill Run Blvd., and when I pulled into traffic the wrong way, patiently said "now, look where we are". Never panicked! I still try to keep my hands on 10 and 2. Peace to him and family.

*Janet, Tracy, David, and Carrie, our hearts were broken when we saw the news of Dave's passing. As you know he was like another brother to me and I was blessed to have shared so many moments working, fishing and camping, and sitting by his side at countless Steeler games. Our thoughts and prayers are with you all at this difficult time. We have thought of you all so often these last years and prayed for Dave to overcome the beast called Alzheimer's. I missed him everyday and will miss him even more now. Our love to you all.
