“ I broke down and cried. A bunch of us followed timberline everywhere. I actually sang with them when we went out to see them. I'm in complete shock. They played private parties for us at times. We hung out with them alot. My late husband Kevin and Dave were "smoking" buddies". You will be missed Dave. I'm really bummed.

“ The countless hours spent practicing, all the time on the 4th band bus (the coolest one), all the cartons of iced tea, heck the first (and last) Copenhagen dip that made me sick. All the time spent at your house, my house and with Terry McCain, Dave, you were always a great friend! Even getting taken to the South Park Police Station together! I remember you laughed at me for wearing a tie to our "informal hearing", ha! You will never be forgotten and will be missed tremendously by many people! You touched so many lives in such a positive way and made the world brighter! You were as close to me as my brothers! My Mom always adored you, please give her a big hug for me up there! I miss you buddy and you'll always be in my heart! Rest easy my friend!

I have known Dave for many years. I followed Timbreline for about 9 years. I will never forget him hanging from the rafters singing on one of the few occasions he was not behind the drums. I have a drumstick from 2002 that he gave me and I also have Timbreline's last 2 shows on DVD. I have also followed him in many other bands since them. Rest easy Dave. I will miss you Buddy 😭
