“ I met Debbie just recently as her caregiver with Comfort Keepers and didn't get the chance to get to know her, but her 3 daughters were a great reflection I'm sure they type of person she was. Juanita, Jackie and Kim were very welcoming, kind and sweet to me when I worked overnight on Thursday before she passed. Ladies you are wonderful, strong and beautiful just like your mom.

I just wanted to say thank you for allowing me in your mother's home. May God comfort you with his peace, love and give you strength.

“ Dear Jackie and family
I just heard the sad news that your Mom passed away and sadder to hear that there was a long illness. I wish I knew sooner so I could have come in person. I met your Mom when she joined our gold league at Butler's, and she was so much fun to be around - always upbeat and smiling. Then years later, our paths crossed again when your girls were playing basketball for TJHS and my granddaughter, Alyssa for Peters Twp, and we had the chance to catch up. She always talked lovingly about all of you. That picture is exactly how I knew her and will remember her. God bless you all at this most difficult time.
