“ *Kim and Nikki,*

We were very sad to hear of your Dad passing. He and your mother were good people and we enjoyed their company over the years. My husband, Scotty, had the highest regards for your dad at work. He was very respected there. Hugs and prayers to you and your families.

“ Thinking of you during this difficult time. It was an honor to meet
Dennis and to get a chance to know him on several of his trips to
Maryland. I enjoyed him and your mother.

*I hope that you find comfort in the midst of the pain that you feel and
are able to find peace in the midst of tremendous sorrow.*
