“ I am so sorry to hear this. I had the pleasure of assisting Dennis and being his neighbor for the last two years at Baldwin Towers. He was a great man with a great sense of humor. He will truly be missed. Rest easy my friend.

“ I am sorry that your lost your beloved brother, Kathy and Connie. I know he would do anything for you and you would do anything for him. I saw his name this morning on my way to church, at Griffith Funeral Home. I am sorry to hear that he suffered with cancer. I pray he was not in pain. Blessing to you and your family during this time of sorrow.

“ *What a shock to me. I've known Denny since we were grade school kids playing together in Baldwin. When we were young men I was with him when he helped one of his friends move to a new apartment and saw him carry, on his back, an apartment size refrigerator down two flights of stairs. One of the strongest guys I ever knew.*

*I am really saddened by his passing because I just saw him two months ago when Kenny Williams, another friend, came to town to visit and the three of us had a great time together for several hours. My condolences to his family. I will always remember him as a really great friend. John Rohaly*
