“ Donna,

I was heartbroken to hear that your Dad had passed. I share in your sadness as I remember your Dad. He was a charmer and was always so nice and enjoyable to talk to. I will always remember his smile when I brought chocolate covered strawberries to the wedding reception. It was little things that made your Dad happy, especially food. He was lucky to have you as his daughter as you took good care of him, his house, and his dog.

Sending healing prayers and comfort hugs that you will get through this difficult time by keeping your memories of your Dad in your heart. I'm always here for you.

Love,
Maryann 🕊️
