I was saddened to hear of the passing of Earl Seiler, who held the amateur radio call sign K3SYM. I was informed of Earl's passing recently by one of his relatives a John Seiler amateur radio call sign N3JPS. I will announce Earl's passing on an upcoming amateur radio club gathering, called a net, to inform those listening of Earl's passing. As we say in amateur radio DI-DI-DI Dah-Di-Dah, which means the morse code letter SK, or Silent Key. This is Chuck Gessner W3ON for the Two Rivers Amateur Radio Club.
