“ *To the Karl Family,
Your mom was a very special and kind woman. I always enjoyed visiting with her. She has been a good friend and walking buddy to my mom. It's hard to believe we've known your family for 60 years. I thank her for praying for me when I had my surgery. She will always have a special place in my heart. A very special angel watching over you. May God give you peace and comfort during this difficult time.*

“ My deepest condolences to the entire Karl family....we were long time neighbors and I often remember visiting with your mom while waiting for Jenny to come out and play. She was always so kind to me. I have often thought of her and your dad as I see the beautiful last supper painting in my dining room (which was created by your dad). cherish your memories and celebrate her life. —Mary (Starceski) Caruso
