“ *Very sorry to learn of Elizabeth's passing. She and her sister, Delores, were serious family history researchers and were extremely generous in sharing their findings on the Peach family and the related family lines. We treasure her research. It is a gift to future generations. She will be missed. Condolences to her family.*

“ *She was a great teacher and inspiration to all of us kids at Sickman School. I particularly recall her demonstrating how duels were conducted in colonial times.*

Kurt, it's Jenny Schoeb. I lived a couple doors down from you in Baldwin Court Apts. Just wanted to say hello.

“ Miss Peach was truly a staple at the Whitehall Public Library. With her customary ‘Howdy’ greeting to her arm’s length of the latest bestsellers that she checked out, her visits were always welcome. She was the equivalent of Cheers’ Norm - we all knew her name and shouted a hello when she walked through the door. She will be missed by all who knew her.

I had Miss Peach for 4th Grade at Sickmsm Elementary in 1961-1962. We kept in touch until she passed away. I moved to MD in 1963 but we kept writing letters and she sent me postcards for years of all the places she and her sister Delores traveled to. Later I still sent her birthday cards (12-5) and then we would exchange Christmas cards with notes inside. One day about 1-2 years before she passed, I googled her and there was her phone number! I couldn't believe that so I decided procrastination is not a good thing and I called her! We talked for one hour and 45 minutes and I'll never ever forget that! She was a very special lady.
