“ I just learned of her passing and extend my condolences to her family. I had Mrs. Fuller in 1985-86. My fondest memory is of her teaching *The Hobbit* & *The Odyssey*. She loved getting into the nuances, the minutia, of literature. I was so excited to have seen her just before *The Hobbit* came to theaters; like a child at Christmas I prodded her all about her thoughts on it. For me, it was like my generation's *Harry Potter* - because of her. Tonight I will watch *The Hobbit* for you, Franny Fuller ❤️ May God Keep her wrapped in His love, and give you His peace and comfort.

“ I had Frances in Ninth grade and I was her Teacher's pet. I would always talk to her whenever I saw her at Giant Eagle or anywhere else. May God comfort you during this difficult and sad time. Linda Glover Kelly
