“ To Rob, Pinky and Ronnie, so sorry about your mom. Just say it in the paper last night. She was a special lady. She loved going with my mom and I up to our camp. I remember she, my mom and Annamae would have coffee and gab sessions at each other's house almost every morning. The 3 friends are now having coffee together with each other and their husbands in heaven. What a glorious time they are having. She will be missed. God be with you all!
