“ Carol and family, this is Nick Mitchell your Aunt Clara's son. Harry and I connected on Face Book 2 years ago. We shared a lot of good memories. I didn't know he was ill and am very sorry to hear of his passing. I pray God will give you and your family comfort at this time. God Bless you.

“ My condolences and prayers for the family.  
Harry and I sang together in high school choir.  
He could not only brighten my life up with his friendship but the whole class. He was indeed a gentleman who loved his family and friends.  
Our class has lost a great family man. Harry give God our love. He gave us unto you. Now, we give you back to our Lord. Thanks buddy. You are indeed singing with the angels.

*I know you are singing to the glory of God, Harry. Keep that tenor voice in tune with the others who are singing. My deepest prayers and condolences to his family. Sang with him in high school. Now, he is in the best choir, heaven!*
