“ *My cousin Helen was extremely thoughtful and giving throughout her life and always invited my mother, 'Aunt Nan' to family events. As someone who lived in other states, and not having the opportunity to spend time with my mother on holidays and special occasions, there are no words to express my appreciation of the manner in which Helen and the entire Jackson family included my mother and made her part of their family. Anytime I was in the state, I was also given the red carpet treatment with invitations for Helen's gourmet meals. She simply had a way of treating others like royalty and was a fantastic host! My heart goes out to her entire family and I now treasure all of these special times.*

“ *Helen & Scotty lived next to my Grandparents on Fidelity Dr. I can still hear my grandmother say to me go ask Mrs. Jackson. The entire Jackson family were the eyes and ears for us watching over my grandparents, I know my mother (Katherine Muiter) was very grateful for all their help.*

*May angels hold you hearts
