“ Sally and Connie Griffith just found out today of Jackie's death and extend our deepest sympathy to her family. The last time I saw Jackie was when my Dad (Harry) passed away up at Sally's Mom's (Jean) house. We have many fond memories of both Jackie and Jack. Sally was notified on Sunday that our Uncle Albert passed away in Denver. He was the last one of Bertha's children to pass. He is being cremated and his ashes buried at a Air Force base out there. Please pass this info on to Jackie's sisters and Virginia. Sally lives in Pittsburgh and I recently moved from South Carolina to Virginia. My phone number is 864-303-8363: Oh, please tell Virginia that Harriet Walkos from Simpsonville, SC is really Connie Griffith. I sent a donation to Billy's church in his memory and I explained who I was so Virginia would know and I guess they didn't pass that info along to her. I don't think any of my relatives knew my name was Harriet. OMG, does Jackie look just like Aunt Florence. Sally and I hope all is well with the rest of our cousins and their families. Jackie was special and always there. Love to all of you and may ya'all have a Happy New Year.

“ Dennis, Terri & Jack,  
Our deepest sympathies. We will miss Jackie's smile and her laugh. It was nice seeing her at our Grace Lutheran church women's group functions and Sundays at Grace Lutheran church. She was so thoughtful and always asked about John. She will be missed.
