one thing about getting cars repaired was knowing I could visit with Jan. She without a doubt had a heart lifting smile and fun-filled laugh. Sickened by the news of her sudden illness that took her from us all too soon ☐ Will miss her immensely. Don and Eileen Degenhardt

“ Since Grade School, Janet has always been in my homeroom, usually in front of me, because our last names are close. She was sunshine then which followed her into adulthood ...she always was a joy to chat with at work, dancing ...anywhere I saw her ! Always so kind and so funny ! My family and I will surely miss her !
