“ I was stunned to hear of John's passing. Way too young. He was my boss for a short period of time at the billing office and he was one of the best bosses I ever had. He imparted a lot of his knowledge about the systems to me and actually made my job an enjoyable experience. Rest in peace John.

“ Lorna,

We are So very Deeply Sorry for the loss of John. What a wonderful human being and a loss to this world. His Smile was contagious and always made you laugh. We had so many good conversations when he would come in Home Depot. He Loved you and his Dogs!! Always giving me the scoop on your travels and deals. He believed in living life and that is what he use to say to me about always having a trip on his travel calendar. Not fair he was taken way too soon. May he rest in Peace. Please find strength in knowing how much he was Loved by all who knew him. You have a new Angel looking out for you.

Please reach out if you need anything and we will ge together when you are ready. Love and Sympathy Alice & Dave Thomson💔💔💔
