

Joseph C. Parinella

June 22, 1930 - April 6, 2021

On Tuesday, April 6, 2021, Joseph C. "Joe" Parinella, age 90, of Bethel Park, formerly of Baldwin. Beloved husband of the late Marian (Aldworth) Parinella; father of Kathy Parinella Campbell, Chris (Tammy) Parinella, Susan (Don) Mueser, and the late Gary (Coco) Parinella; grandfather of Jessica and Alexis Parinella and Shannon and Joseph Mueser; great-grandfather of Liam Campbell and Patrick Little; brother of Sam (Marge) Parinella and the late Nina (Don) Whalen, Dorothy Bellizzi, and Mary (Bill) Bauer; also survived by many loving nieces and nephews as well as his cherished grand-dog Bentley. Joe was a self-made man, from working in the family fruit business to a long career in the petroleum industry. He was a devoted, caring family man who enjoyed his life which revolved around his family and friends. He led a rich, full life and will be remembered as being a true gentleman who always had a smile for everyone. He served his country during the Korean War as a sergeant in the United States Marine Corps during which time he met the love of his life, Marian. During their time at the Jersey Shore, Joe and Marian enjoyed many years at the fishing pier, time at the beach, making friends, and spending time playing slots at the casino. Returning to the South Hills, he was never idle, whether it was raising his family, working, volunteering, going to church, hosting poker nights and Manhattan Club, gathering with the Six Pack and ROMEOS, and still finding time to make his famous spaghetti sauce. Friends received Sunday, 1-5 pm at the GRIFFITH FUNERAL HOME, INC., 5636 Brownsville Road, (at 6th St.) South Park Twp. (412) 655-4600 (while

visiting, please respect social distancing and mask wearing protocol). Funeral prayer Monday, 9:30 am at the funeral home, with a Mass of Christian Burial at Our Lady of Hope Parish - St. Germaine Church at 10 am. In lieu of flowers, the family requests donations in Joe's name to a charity of your choice. Condolences may be offered for the family at www.GriffithFH.com

Thank you. Yes, dad surely loved being at the pier and fishing but more important than that was being able to visit and enjoy being around friends and enjoying the moment. He truly loved that.

“ A true friend and gentleman. Joe was a friend to my dad since grade school and it proliferated to our family. While death is difficult, happy to know he's back with Marion.

“ I was sad to hear about Joe's passing. I worked with Joe as a Volunteer at Jefferson Hospital at the front desk. He was always smiling and had a kind word for everyone. He impressed me with not just his kindness but always dressed in a shirt and tie a look of a true professional. His passing will be felt by so many of us who knew him. May you rest in peace Joe.

“ *Death is nothing at all*

I have only slipped away to the next room.

I am I and you are you.

Whatever we were to each other, That, we still are.

Call me by my old familiar name.

Speak to me in the easy way which you always used.

Put no difference into your tone.

Wear no forced air of solemnity or sorrow.

Laugh as we always laughed

at the little jokes, we enjoyed together.

Play, smile, think of me. Pray for me.

Let my name be ever the household word that it always was.

Let it be spoken without effect.

Without the trace of a shadow on it.

Life means all that it ever meant.

It is the same that it ever was.

There is absolute unbroken continuity.

Why should I be out of mind because I am out of sight?

I am but waiting for you.

For an interval.

“ *To Sue, Kathy and family,
Monday and Friday afternoons were always special days for me at Jefferson because on these days I received the biggest hug and smile from a wonderful friend. Everybody knew Joe! His smile was infectious and his stories and pictures of his family and beloved grandchildren (and Bentley) made all of us happy. He was always so patient when people asked the same questions again and again...always gracious and smiling. Watching the Penguins game will never be the same for me. We used to analyze each game and sometimes disagreed about who was the worst player but it was always fun having him to talk with about the Pens. Joe would talk lovingly about your Mom and he really had a hard time dealing with the death of Gary. He is with both of them now and I know he is at peace and happy.*

Please accept my deepest condolences.
