“ I worked with Josh at Family Hospice and Palliative Care and whenever he needed them I gave him positive job references. This was a joy to do for him as he was a wonderful person and caregiver. Sincerest condolences to his family. Please know how many people respected and liked Josh. Gone too soon from this world. May you be comforted in the knowledge that he is resting in peace with the angels.

“ I worked with Josh at Harmony Hospice, and am so sad to hear this news. He was such an awesome co-worker, so dependable & humble. The staff at Baptist Home used to tell me how lucky we were to have him. My thoughts are with his family & friends. I'll never forget him.

“ Hey Cuz, I miss your face. What else can I say. If I can do anything to help I will try my best. I love you and yours. We put our faith in the Lord thy God to try to understand the Why. I am angry and sad. This is a faith tester for sure. Your wife is a very strong woman who will need support through the times to come. I pray for her and your little ones. And you. I call upon the Lord Thy God to watch over all of us and guide us to try to reconcile the events of the past days and to help us by showing us your love. Amen.

“ My sweet friend💖
My heart breaks for you and your sweet babes. You were an amazing human being, who brought so much light and laughter to the world. This earth became a little less joyful without you in it. Always know how much you meant to us, and how we always treasured your friendship. Until I see ya. Rest easy friend. We will love and miss you always💖
