“ I have such good memories of Josie growing up. I felt like I was a big sister to Mike and Shirley. Walking Mike to school made me feel so responsible. Even though I was only in 3rd grade myself. She was always so welcoming with smile on her face. Heaven has gained a new angel for sure! My condolences to the Warner family.

“ My favorite memory of Aunt Josie was going over to her house as a child. She always was so loving & would have a hidden crayons & coloring books for the kids. She also would send a cards & cards with barns at Christmas. She will be greatly missed but always be in my heart & memories.
