“ *We spent many years of love and laughter with your Mum and Dad. Joyce was always the fun of the gang. Ken spent teen years in your Dad's fancy cars and even borrowed one once or twice. Life was more simple then. We shared many nights in local pubs just enjoying each others company - nothing special, just good laughter and fun. Your Dad was in our wedding; a special guest if you will. We are heartbroken that Joyce is gone, but hopefully she's with the good angels laughing her guts (to be nice) out! We are sorry for your loss Lynnel and Michele and all your family. We love them both very much.*

*With deepest condolences,
