GREAT GRANDMOTHER in the WHOLE WIDE WORLD.
MOTHER, GRANDMOTHER, GREAT GRANDMOTHER SHE

“ My Mimi meant the world to me. She was like a second mother to my brother and I. She did everything that she could for us, but the best thing she ever gave us was her unconditional love. I've never met a grandmother that has done what Mimi has done for us and the compassion she showed for others. Mimi was a true fighter till the end. I will miss her feistiness, love and her caring heart. Mimi will never be forgotten cause I carry her with me everyday. Beautiful grandmother with a beautiful soul that can never be replaced. I love you Mimi and you're always in my heart, mind and soul. God Bless you Mimi.

“ June Del Vito. Words can't describe the biggest heart she had. She took care of family and brought them in her home and no other family would ever do that. They just wanted was there from Eileen adoring and Amil Haberstock. The generosity of putting people before her. God bless you and you family. Amazing woman I ever met.

Dear Mom,

Today it's the 7th year of your passing October 20,

2016. I really ❤️ love you and 🥺 miss you. We went up

to the see you we had 🎈 balloons a red heart pink, blue,

purple, flower 🌸. Can't believe you have been gone 7

years. Jefferson Memorial Cementary took you, Daddy,

Grammy and Pa flowers off the grave. I called them Sept. 26,2023. To ask when they would take the flower off

the mausoleum. They told me at the end of November.

No they lied 🥺 they took the red white blue flowers with

the stars and the beautiful bow that Chris made for you

and the beautiful ☆ stars. I LOVE 💕 You from the 🙄

and BACK.
