“ Even though it's been quite some time since I've seen Justin, I will never forget his laugh, his big heart and the amazing, genuine person he was. I am lucky to have called him a friend. For his family, friends and all who were closest to him most recently; I am wishing you peace to bring you comfort, courage to face the days ahead and loving memories to forever hold in your heart.

“ I saw Justin almost every Saturday for 10 years. He helped me and taught me about home repairs. He was far wiser than his age let on. He was always willing to help, laugh, and put a smile on his face. I used to stop at Sheetz to get him milkshakes just to let him know how thankful I was of his time and knowledge. He was the happiest person that I knew. My heart hurts knowing that he's gone. The world will not be the same without him.

“ Sincerest condolences to all over dear Justin's passing. Although I didn't know him well, I liked him very much and found him to also be extremely helpful when I'd be at Daniel's. Yes, his smile, cordiality, and professionalism were always special. My late-husband, Justin's school librarian, introduced me to Justin many years ago and where he had only the very best remarks about Justin: the fine boy became a very fine young man. . . . R.I.P., Justin

“ To Vicki and Christopher,
We will truly miss Justin's kind and thoughtful
face. He was such a sweet man and boy did
he love his little Christopher, and his
Christopher truly loved him. Ever since Chris
was a baby, when Dad picked him up you could see the true
affection they had for each other. We will always be here for you,
Chris and Vicki, and will do everything we can to surround you both
with our love.

“ My family and I have countless memories of Justin. He was always there for all of us. At Daniels, as well as to celebrate every happy event in our lives or be with us in our time of need. All of our love goes to his wife who became just as close to all of us as Justin was, and their beautiful son and family.

Vicki, I didn't know Justin real well but the few times I was around him I could see he was a kind, gentle soul and how much he loved you and Christopher. I cannot express my sympathy in the right words to give comfort but know that I am keeping you and Christopher ever so close in all my thoughts and prayers in this time of sadness. 💕🙏

“ *Words cannot express my sadness. Justin was such a beautiful soul with such a big heart. He never had a mean bone in his body. Justin had such a infectious laugh I will never forget when he use to call me crazy. I will always hold onto the sweet memory when Justin and I went to homecoming when we were sophomores. He was such a special person I will never forget and I will always hold so close and dear to my heart. It breaks my heart you were taken too soon when your story wasn't finished. Although there are no words to take away the pain and sorrow you are feeling, but know Justin was and is loved beyond words. Sending my deep and heartfelt sympathy and sincere condolences to you and your family. I will always cherish my memories of Justin. My heart goes out to Jamie and family.*
