“ To all Kathleen's brothers and sisters...Our condolences. Thank you for taking such good care of Kathleen. To Kerry ,Margot and Charlie...our condolences. Kathleen was someone who truly cared for her family, friends, faith and country. She embraced life and treasured all the people in her life. She had genuine hospitality and concern for whomever crossed her path. She shared many stories of her faith, especially about her Mother and Uncle who was a bishop in Australia. She treasured the film with her Uncle and Pope John Paul the second. She beamed from ear to ear when talking about her girls and her grandchildren. Her family was her prized possession. We have many great memories of happy times. You always knew what Kathleen was thinking, she did not mince words. We have prayed each day for Kathleen by name. God called home His beautiful daughter. May she rejoice and dance in Heaven as she did so often on earth! May God hold you now, Kathleen, in the palm of His Hand.
Our hearts go out to all of you.
Love,
Mark and Dawn Bleecher and family.

I'm so sorry to hear of Kathleen's passing. She fought a long battle, but couldn't have had more dedicated and loving siblings to care for her. It was a wonderful privilege to know you and have even a small part in her journey.
