“ *Many of us met Kim on facebook, in groups. I looked forward to her daily uplifting words and the pictures she posted of her many adventures. Kim always had kind words to say and if a friend was sad, she was able to put them in a good mood. Kim, Sunshine Jones, you will be greatly missed. My thoughts and prayers are with her family and loved ones.....Dorene Scarvace*

“ I met Sunshine(Kim) a year and a half ago, at Bike night and instantly loved her smile and lovely heart. I had the pleasure of riding with her one beautiful day this time last year to Clearfield Pa for a hamburger and the experience. She smiled at me that day and said " Thank You Murph for making such a nice route for me today" A real wind rider who loved the open road. Such a special person she will be missed very much.

“ My heart goes out to all of Sunshine ' s family and friends. I have known her for a short time but from what I know and have seen she was a strong kind hearted woman. Even though she cannot be with us physically, she will remain in our hearts and memories forever.

“ I met Sunshine about three years ago. Never have i ever met a person that seem so happy all the time and always looked forward to her post on facebook on the upcoming day.Her determination to learn and ride was amazing.Her desire to over come her 1st accident and couldn't wait to get a new bike and start riding showed the love and how happy she was doing it. What hurts for me is my last words to her was be safe on the ride home. My thoughts and prayers to all of you, your loss is our loss also.

“ Kim (Sunshine), was such a tremendously happy & loving person to not only her family, but total strangers. I had the pleasure to be involved in her passion & ride with her. She kept repeating, "I finally found my wings"! "I love riding"! "I finally found what makes me really happy"!

A truly beautiful, & inspirational woman, who found her passion in life riding. After her first accident, & getting back on her bike, she had such determination to do what she loved, & she did! We have truly lost one of the most compassionate individuals I have met since I was a kid. She was a truly genuine & determined woman. She will be sadly missed.

Although I did not know Kim personally, I knew of her. She was a beautiful girl. I saw her the night of her tragic accident. She was visiting the Bull Pen for a pig roast. I to am a female motorcycle rider and happened to see her at many events that I participated in as well. She will be terribly missed. Thoughts and prayers go out to the entire family and all of her friends. God Bless.
