“ Kristen Flasck is going to be missed. What an impact she made on the world one hair cut ✂️ at a time. I know she made me feel beautiful over and over again. I hope she's at peace now with her mom and dad. Hoping the sadness is replaced with love. Keeping you all in my prayers.

“ Kristen had a heart of gold. She was a talented beautician. I remember her doing make overs (male and female) at the Sauline Reunion as she ALWAYS carried her cutting shears with her. Often I received many compliments after returning to Michigan with one of her new styles.

Her Baptism left an indelible impression on me as a child because I had never seen an infant with so much beautiful black hair. The adults jokingly told her Grandpa John Flasck, "She has more hair than you do, John!" He chuckled as did we all.

In Baptism she was eternally united with Christ. I can only imagine her beautiful dimpled grin as He welcomed her to Heaven saying, "Come, I have prepared a special place for you."

With her fun loving spirit, she probably told Him that He could use a new cut. She made Him laugh I am sure because such was her nature. Whenever Kristen Was present, I knew I was in for a fun-filled time. I am thankful to God for giving me the grace of being a small part of her life. Not knowing her would have been a worse than letting her go.

She will be missed by all who knew and loved her.

Your Michigan Cousin,
Mary Frances
