“ To the Briggs family, my mother loved sitting and talking every week in church before mass with Louise. On behalf of my family, I wanted to let you know we thank you for that friendship and that you are all in my prayers during this difficult time.

“ I remember when I was a child, I was at her house many times while my mom did her hair. Always sitting on the couch watching the price is right or in the kitchen helping myself to all her snacks. She was such a loving and caring lady. A true sweetheart. Our sympathies to the whole Briggs family. Love to you all.

“ Our deepest sympathy to the entire Briggs family. Though we never met Louise, Hayley spoke so fondly of her and we knew she was an incredible lady as she and George made such a wonderful family!
