“ Marge was an amazing person, and we feel privileged to have known her, even briefly as it was. My mother Betty Gossett was Shags sister. Sadly we got connected with them a couple times years after my mother had passed. Marge reminded me a great deal of my own mother. I often wondered what a great time they might have shared.

What a great couple. How pleasant it is to think of their reunion. I know you will miss her deeply. As the days and weeks go by, to be sure, you will find her to be closer than ever. Kim & I will be keeping you in our thoughts and prayers. God's blessing and comfort on all of our extended Norton family.

“ So sorry to hear of you Mom's passing. I remember all the summer we spent swimming at you house and how kind your Mom was to all of us. You were very lucky to have her with you so many years. Sending my sympathy to you and your family.
