“ *My dear cousin, I miss our times together when you and Paul would come up the lake. You would fill me in on everything happening in the family. We would recall the memories of the past when my mom and I would visit your mom. The times we would talk about the Lord and the prayers would say for each others families. I know you are now watching over al of us.*

I pray peace and comfort for your family, you wil be sadly missed by all dear cousin.

“ *Dear Kay,*

I am so sorry to hear about your loss and offer my utmost condolences. Although I never had the opportunity to meet your mom, I know that she was a very special and exceptional woman. Just by knowing you, how you are as a person, and how you live your life, I know that you were raised and cared for by someone who was extraordinary. I love hearing all of the stories of how she lived life to the fullest, and she was solely responsible for coining the phrase "Hockey Granny". It is my sincere hope that the fond memories of all of the amazing times you had together will help carry you through this time of sorrow. If you need anything at all, please do not hesitate to call me anytime day or night.
