“ Mike,

*You have done our generation so proud. You have done an exemplary job of carrying on the legacy of your dad, Steve along with Uncles Tommy, George, Leo and Jimmy. All with service to our country. I know they were there to salute you and surround with hugs, too. I remember when you finally made it home...Dad and I came to see you. I thought I was going to burst with both pride and relief all at the same time.*

*Where to begin with the memories...Although we lived on opposite ends of the city, we were family and it always felt like it when we were all together. Even though I was probably a pest, you always acted like I wasn't and took the time to find out what was up with me. I remember hearing the stories of you and sibs being in the creek at Grammas with our beloved Mickey..Soon I got to be in that creek too...probably some times with you guys but I don't remember that far back I remember The mid 70's..You with your LONG red hair, the high stacked heeled shoes, the bell bottoms and polyester shirt! I thought you were so cool! I remember being home for Kevin's graduation and you had just had Amanda and were so proud to introduce me to Trina, too. I can still see the pride and feel the love you had for your daughters. It was fun when we got together at Jimmy's..looking at all the old time movies, reliving the memories and telling our stories. I am most proud of the fact that you were there with us at the hospital with Dad and all throughout his funeral..being strong for all of us and propping us up.*

*To Rennie Trina, Amanda and families, I am so sorry for your loss and wanted to let you know you are all in my thoughts and prayers. Mike will always be with you and hopefully some day you will be able to find comfort knowing that Mike is at peace, free of pain and forever with God and all of his family.*

*To my cousins Donna, Kathy, Patty, Stevie, Mark, John, Terry, Sean and Shannon, I wish I could be there to give you all a hug. I know you will miss Mike, but know you will all have an angel to talk to. Sending you all my love and prayers....Cousin Terry*
