“ To: Sue, Cindy, Donna, Rick and your families. I was saddened to hear of the loss of your mom. I can still hear her wonderful laugh and remember how she was always ready to help with all sorts of cooking, sewing, and other problems the neighbors might have. May your memories bring you comfort and peace.

“ Sue, Cindy Rick, and Donna, I was so sorry to hear of your mom’s passing. I have so many fond memories of your mom and dad. I remember the first time I met her. We had been out with my mom and dad, and when we got home your mom and dad were on our little swing set sitting across from one another. Your dad was smiling from ear to ear as he introduced us. Later after they were married and Sue and Cindy were babies, I used to spend weeks with you guys. I loved sitting and talking to your mom, and playing with you two. If we didn’t do anything all day, we always had to clean up the apartment before your dad got home. I could go on and on. She was a dear, and will be truly missed.

Love and prayers,
Linda
