My sweet baby brother you were taken to soon. I wish when you were here that I could have reminded you that I loved you, that I would be there for you if you needed me. You had a big heart, you were humble and you were kind. I'm so sorry I missed the opportunity to let you know I cared when you were here. I love you and am thankful for the times I got to spend with you growing up ❤️ Maria

“ *Nick was a great friend of mine. I met Nick from hanging out on the south side of Pittsburgh. I was friends with Nick for about three years, but he treated me so well it was almost as if I knew him for a lifetime. When you were with Nick there was never a dull moment. He was the life of the party. I'm gonna miss seeing you every weekend and hanging out every weekend, and all of our stupid text messages, snapchats and twitter exchanges. Thanks for all the good times and for all the laughs, I'll really miss them and I'll surely miss you, Nick. Rest easy.*

“ *Sally-I don't know what to say, you have been through a lot and losing a child has to be the hardest thing to endure. I will pray that Jesus Christ, our Lord and Savior will hold you and your family in the palm of His comforting hands. That you will know peace beyond your own understanding and that you will be so filled with the Holy Spirit that every thought of your son, Nick, will bring you nothing but joy! I am here if you need anything.*
