“ Thank you, Allan, for letting us know of Joe's passing. We were classmates of your Dad's in Durango, CO and graduated together in 1949. As you know, he was an exceptional man. There are many fond memories of our escapades together. We knew him especially for his clarinet and music in high school. Your Dad was very musically talented - and very smart!

We're sorry to hear that he's gone - but he's now in a better place and pain free.

Our Condolences to You and Your Family,
Carol and Frank Pinkerton
