“ My memories of Aunt Pat, even those from our visit 2 weeks ago, are always of a warm, welcoming Aunt with great humor and who enjoyed the simple things. Her love and generosity always touched my heart and made an important impression. I would not be helping all the students I have over the years or people through my business if it weren't for Aunt Pat. Many years ago she trusted me enough and had confidence in me so that she co-signed a loan for my graduate school. It was the only way I would have been able to attend. Her willingness changed my life and that of others.

*It warms my heart to think of her in heaven saying "Oh my God, look at these streets of Gold" to Aunt Carol, Grandma and Grandpa and them all smiling back so happy to greet her. And Jesus saying to Aunt Pat, "Well done, my good and faithful servant."*

*I sure miss Aunt Pat, and look forward to embracing her again some day.*
