“ Our hearts go out to you. We were out of town and were devastated. Parents are not supposed to out live their children and you’ve had your hearts broken twice. We think of you often and will continue to pray for you.

“ I remember Patrick always cutting the lawn for everybody on the block in summer and then he would shovel driveways in the winter. He was a hard worker and seemed to be busy all the time. When he would see me and my husband walking our dog he would always strike up a conversation with us. We knew he struggled with addiction but always thought he would beat it. We will miss seeing him in the neighborhood. Our deepest condolences to his family.

“ Patrick was always very respectful to me and was a neighbor of mine. I knew of his struggles and wished he would overcome the demons that chased him and be able to live a happy life but unfortunately the struggle was too much. I will miss him and my heart goes out to his family. 😞
