

## Paul R. Domen

December 22, 1941 - April 3, 2023

Paul Domen, 81, a life-long resident of Maple Street, West Mifflin, born on December 22, 1941, passed away peacefully on April 3, 2023. He is predeceased by his parents John Domen and Mary (Hlavacik), brother Andrew, brother John, sister Mary (Frederick) and nephew James Frederick. Paul is survived by his niece Mary Kay Frederick, great-niece Ashley (Frederick) Eyles and great-nephew Andrew (Pui Lee) Frederick.

After serving as an artillery surveyor in the Army's 82nd Airborne Division, he went on to receive his bachelor's degree in education from Duquesne University. Paul began his long career in education teaching mathematics in the Duquesne City School District. Later, Paul earned a master's degree at Duquesne University and went on to help young minds as a high school guidance counselor in the West Mifflin School District.

In 2003, Paul retired from education to enjoy his many varied passions. He especially loved tending to his extensive garden at his cottage in Pymatuning, which supplied his friends and family with fresh vegetables all summer-long. When not wreaking havoc on the steelhead trout population, he could be found exploring historical sites with the French Creek Archeological Society or knee-deep in a creek panning for gold with his friends in the Gold Prospectors Association of America.

Paul was kind, loving, and strived to help those in need. He extended his love and care to many stray cats who wandered into his life over the years. One of his greatest delights was earning the dramatic eyerolls he would receive after telling one of his famous bad “Dad jokes”. But mostly, Paul excelled at being a life-long blessing and best friend to both his sister, Mary, and niece, Mary Kay (“Kake”).

In accordance with Paul’s wishes, there will be no visitation.

Ist’s Bohom, Strýko.
