“ Pinky, Arlene, Donald, and Russell,
Patty and I were deeply saddened by Bob's passing and extend our deepest sympathy to you and your family. Bob and I met in 9th grade at South Side Catholic High School back in 1971. We shared our passion for fishing and hunting. We made many memorable fishing, hunting, camping, Geneva on the lake trips together, with our fellow classmates and our fathers and families. Even as we grew older and time passed by Bob was always someone I knew could talk to and rely on. Over the last several years after our 40th high school reunion Bob was a regular at our Class of 75 lunch get togethers. It was so great to have that time together with Bob. He will be greatly missed by me and all who knew him but never forgotten. Mike and Patty Rattay

Pinky: I am shocked and saddened at the loss of your Bob. We met at training class at UPMC and he started talking about his wife Pinky. I said I have a childhood friend who is named Pinky. Long story shortened of course it was you. I am so sorry and you know Pinky we can talk anytime. May he rest in peace and prayers to you and Bob's family.
