“ So terribly sad to hear of Bob's passing. I was not only his nurse but hopefully considered a life long friend. He not only provided many laughs but also much support and encouragement in anything that life through my way. He will be sorely missed. Heaven will be a much funnier place with Bob in tow.

“ I worked with Bob at the Bradley House. I was saddened to hear of his passing. We worked for many years there and had lots of fun. I also bowled with Bob at South Hills Bowl. I toasted many a beer with him. Funny funny man. Had some good one liners.. RIP BOB.

“ I first met Bob (aka Diver) on the dirt baseball field atop Villahaven Dr. In the fall of 1966 Bob introduced me to the wonderful world of hockey. We attended every Pittsburgh Hornet game that season, even making a road trip to Cleveland. The Hornets won the Calder Cup that year. He would routinely pick me up in his old green and white Chevy at my parent's home and we would travel to the now demolished Civic arena. Regretfully, our lives would take different paths and we did not stay in touch. I will forever remember Bob as a good friend and cherish fond memories of long ago. Rest in peace my friend and fellow hockey fan.
