“ I was very sorry and shocked to hear of Bobbi's (we knew her by this nickname) passing and illness. I recently retired and had been corresponding with Bobbi now and then, and invited her to stop by if in the neighborhood. She had sent a wonderful retirement card to us after learning of our retirement. I had served with Bobbi in the Pleasant Hills Auxiliary as Secretary while she was President for several years. She was so dedicated to the group and veterans especially when my husband had been deployed to both Iraq and Afghanistan. She took me under her wing and made sure I was occupied with Auxiliary activities to occupy my time. Always so cheerful and ready to lend a hand to anyone who needed it. You never needed to ask, she gave help readily and put everyone else first. Bobbi was a real gem and will certainly be missed by both her family who she spoke of often and her friends. I can still hear her giggle and see her charming smile. Please accept my sincere sympathy for your loss and may she rest in peace.
