“ *Ron Sheppard was a great man of dignity and integrity. But what most characterized him was his toughness. He persevered through medical and physical difficulties that would have sidelined most men. He continued to race through the 2022 season. I had the honor of piloting his amazing Nostalgia dragster to a best time of 6.97 seconds at 192 mph this year. I earned my Competition Eliminator license, which will be a lasting memory and legacy of Ron. Lori and I will miss his wisdom and mechanical prowess, and his infectious smile and laugh. Thank you Ron.*
